Faculty locations

Your hosts at the faculty
For more information and any practical queries when in Uppsala, your host and contact person at the faculty, Associate Professor Laima Vaige, will be the one to guide you.

Monthly breakfast meetings
Once every month, the Faculty Dean, the Head of Department, and other members of the faculty management invite all staff members to a breakfast meeting, to which you are very welcome to introduce yourself, and where you will have the possibility to meet your new colleagues.

Insurance
We recommend you make sure that you have home insurance (*hemförsäkring*) during your stay in Sweden. If anything is stolen from your room or flat, or if a property is damaged or lost during your rental period, you are responsible for covering the repair or replacement costs. Home insurance usually covers personal property, personal liability, and legal expenses. Most home insurances also have travel protection in case of illness or accident. We also recommend you take out injury insurance for your free time.
